SPANISH ACTIVITY

Communicative situations

Would you use the imperfect?

Look at the following communicative situations below. Would you use the imperfect for each of them?

Choose yes or no based on what you learned in the post:

Situation	Needs imperfect tense? Yes / No
1. You're talking about your vacation with your family as a child.	
2. You're saying where you went on vacation in 2007.	
3. You're talking about the things you did every day in your first job.	
4. You're describing what was happening the last time you went to a party.	
5. You're listing the activities you did yesterday between 3 and 4 pm.	
6. You're asking for a favor politely.	
7. You're telling your classmates you lived in Mexico from 2003 to 2006.	
8. You're telling your friends how often you played sports when you were in college.	
9. You're telling your friends what you did yesterday.	
10. You're saying how you spent your weekend.
