

Mango Languages® K-12 Implementation Process

More than a vendor... we're your partner.

MANGO®

The **Mango Languages® K-12 Implementation Process** is a highly assisted, ongoing support and training relationship designed to understand the needs of your classrooms, and develop a plan that is congruent with the requirements of the administration.

GETTING TO KNOW EACH OTHER

SUCCESSFUL IMPLEMENTATION & SUPPORT

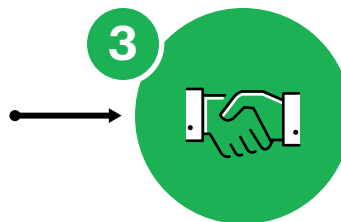

Solution Planning Consultation

We'll start by understanding your needs and requirements to build the right solution for your classrooms.

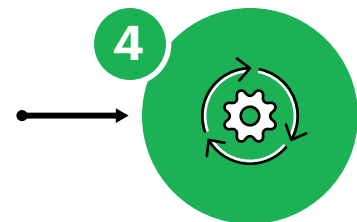

Solution Demonstration

We'll demonstrate a custom solution for your school that we think best meets the needs uncovered during the Solution Planning Consultation.

Planning & Rollout

Once you've made the decision to move forward, we'll work closely with you to plan and rollout your solution and ensure its success.

Ongoing Support & Training

Throughout the remainder of our working relationship, we'll work with you regularly to ensure continued efficacy.

A true partnership

Your dedicated Mango Account Management representative will coordinate with a Mango linguist, customer service representative, plus implementation and product specialists.

Additional support and training for staff and students:

Online training materials, live webinar training on an as-needed basis, plus pre-recorded training and tutorial videos.

World-class Customer Service:

Mango offers direct user support to administrators, teaching staff, technical staff, students and parents.
