

# Effective language-learning technology. No RFP hassle.

## Streamline the procurement process by purchasing Mango through Purchasing Cooperative of America (PCA).

Avoid the time, hassle, and paperwork that comes with the RFP process. Now, PCA members can get Mango Languages via PCA by purchasing via RFP# OD-350-21.

## Mango Classroom is the education technology that supports teachers with everything they need to elevate their language-learning curriculum.

### Practical Content

Build students' communication skills rapidly with easy-to-use and engaging lessons.

### Practical Content

Teachers and admins can track student usage and monitor progress with ease.

### Accessible Anywhere

Desktop & mobile apps that keep students engaged in the classroom and at home with hands-free features like auto play and downloadable lessons.

### Dedicated Account Specialists

Our K12 account team works with you to provide personalized integration, support, and tools to help you promote Mango to your staff.

## Becoming a PCA member is easy.

It's free to join, and you'll get access to best-in-class supplemental education resources that are vetted and approved through a comprehensive review process—saving you time and the hassle of an RFP.

## Skip the RFP. Purchase Mango via PCA today.

Schedule time to discuss your options with a Mango rep.
