

COMING SOON!

Spanish Curriculum

Save teachers time finding and vetting quality, standards-aligned content and authentic materials.

Mango's new curriculum with our digital lessons will include everything your teachers need to run a successful language classroom, complete with daily lesson plans, pacing guides, and student materials which account for 180 hours of classroom instruction per year.

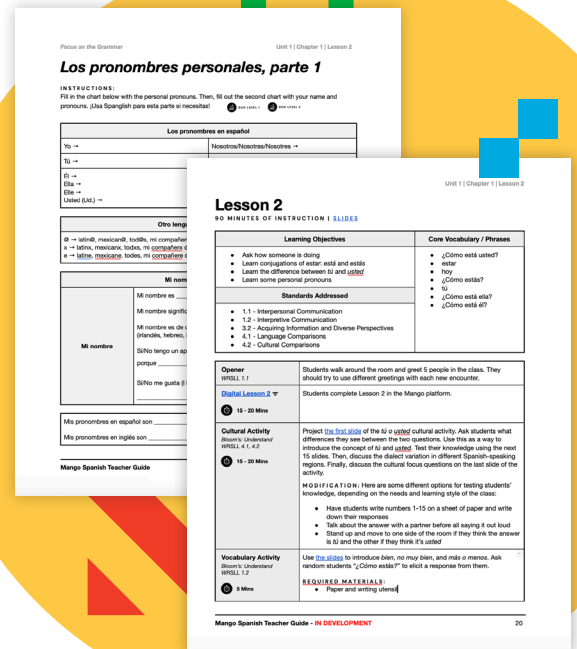

Supports teachers with comprehensive lesson plans.

Aligns with World-Readiness Standards for Learning Languages, ensuring quality instruction.

Bridges the gap from a supplementary solution to a full-year curriculum with 180+ hours of classroom instruction.

Encourages cultural understanding and communication skills in students, including Interpersonal speaking and presentational long-form writing.

Interpersonal, Interpretive and Presentational Modes of Communication met. (Long-form writing prompts target important Presentational Communication standards).

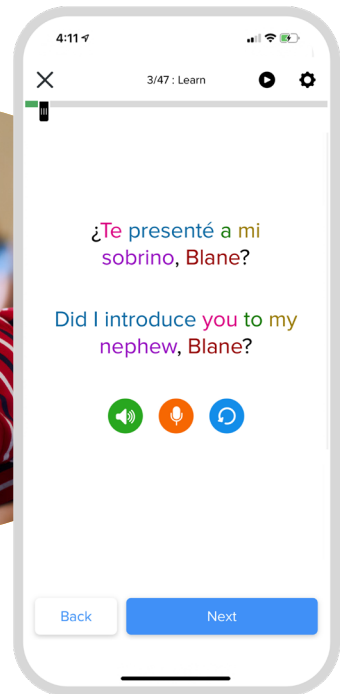

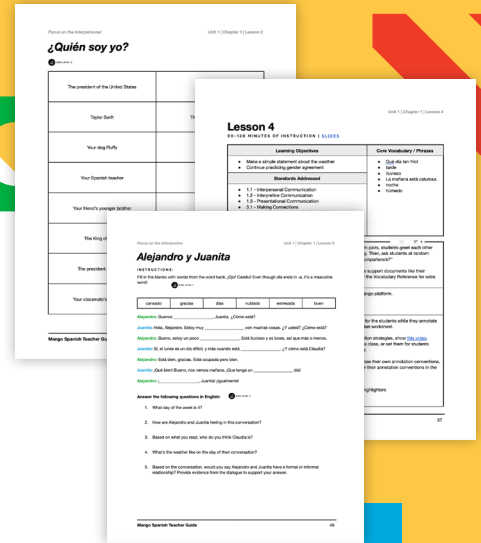

Activities to encourage cultural comparison & classroom discussion to connect the essential question of the chapter - touching the ACTFL 3 P's (Practice, Products and Perspectives).

Slide presentations in every chapter include discussion questions, materials for activities, and additional vocabulary.

Teacher Toolkit helps build skills and boosts confidence for new or seasoned teachers.
